# Transport Tug TT/01 “Little Goose”

## Destiny:

The Transport Tug TT/01 “Little Goose” is used to moving empty transport platforms for heavy, bulky and oversized loads and container loads up to 130 tons.

## Benefits

- universal use,
- highest quality of manufacture,
- painting at the highest level (total coating thickness  $\leq 120 \mu\text{m}$ ),
- warranty and post-warranty service.

## Technical characteristics

- moving empty transport platform lifting capacity up to 130 tons,
- ability to work with a basic gas-powered forklift, which makes the product environmentally friendly,
- possibility of work with the rear (pulling) and the front (forks),
- collision-free rolling ending ensuring safety during connecting with platform,
- simple to use,
- small size and low own weight.
