

## Destiny:

The transport platform is used to transport heavy, bulky and oversized loads and container loads up to 100 tons.

## Benefits

- optimized design,
- universal application,
- very good quality of weld joints and product finish,
- painting at the highest level (total coating thickness  $\leq 120 \mu\text{m}$ ),
- high-quality wood impregnated against Australian termites
- tires from a reputable company,
- warranty and post-warranty service.

## Technical characteristics

- maximum platform lifting capacity - 100 tons of evenly distributed self-supporting load or container load in positions 20" / 40",
- pine wood covered with high-quality impregnation,
- collision-free ending ensuring safety during ascents and descents,
- series of mounting brackets for optimal and safe lifting of the platform from all sides.
